- Critical Thinking
- Creativity
- Attention To Detail
- Teamwork
- Working Under Pressure
- Time Management
- Patience

WORK EXPERIENCE

Fargo-Moorhead RedHawks

June 2024 - August 2024

Radio Broadcasting Intern

- Worked alongside my play-by-play broadcasting partner in commentating on our hometown professional minor-league baseball team in Fargo, North Dakota.
- Interacted with audiences, provided effective and interesting communication for listeners through the radio, brought the broadcast back after a break multiple times, and gained many other communication skills.

K-Town Nutrition

November 2023 - August 2024

Employee

- Provided services in a positive manner for customers and became skilled in making a variety of drinks (teas and protein shakes).
- Learned how to handle working in high-pressure situations, multitasked effectively while also maintaining a warm, positive front for customers, worked with co-workers and built good relationships with every one of them, and built relationships with my customers as well.

Chad and Lindsay Mack

June 2023 - August 2024

Nanny

- Looked after three boys, ages ten, nine, and six.
- Made nutritious meals, kept them entertained and made sure they got plenty of exercise, cleaned up the house after a work day, and overall, made sure the boys had summers to remember.
- I gained and bettered many skills while working for Chad and Lindsay, such as patience, multitasking, and more.
